

## Swimming GC 2016 Compiled Results

The tentative date for both the boys' and the girls' swimming GC was supposed to be on **17<sup>th</sup> August 2016**. But due to the **absence of Reddy sir**, the GC was postponed to **24<sup>th</sup> August 2016**. The **hostel sports co** had a lot of issues with this date and considering their request it was shifted to **31<sup>st</sup> August 2016**. But due to this date coinciding with **Reddy Sir's Felicitation** and this information being conveyed to the aquatics secretary only on the Sunday, 28<sup>th</sup> August 2016 we had no choice but to shift the GC to **1<sup>st</sup> September 2016**.

The registrations for the GC was started at 6:45pm and ended at around 7:15pm.

The girls' events were:

- 50m Freestyle
- 50m Backstroke
- 50m Butterfly
- 50m Breaststroke
- 4 x 50m Freestyle Relay

The boys' events were:

- 50m Freestyle
- 50m Backstroke
- 50m Butterfly
- 50m Breaststroke
- 100m Freestyle
- 4 x 50m Freestyle Relay
- 4 x 50m Medley Relay

The medley relay was conducted for the first time as a points-carrying event. It was run in a trial basis in the GC of the year 2015.

The poster for the GC was not released officially from the IITB sports page but was released from the IITB Aquatics page. It was also put up in all of hostel 15 and 16 wings before lunch. The audience who are supposed to know about it through posters got to know about it through the poster. The rest of the hostels were informed by mail.

The boys' and girls' events were conducted in such a way that everyone got enough rest in between. The seeding and the roll call of the event participants took more time than expected.

The points system is as follows:

	Individual	Relay
Gold	5	10
Silver	3	6
Bronze	2	4
Fourth	1	2

## Results - Girls

Hostel	Points
H15C	25
H10A	23
H10B	11
H11	0

## Results - Boys

Hostel	Points	Criteria 1 – Medals Tally
H1	0	
H2	33	
H3	5	
H4	11	$0(1^{\text{st}}) + 1(2^{\text{nd}}) + 1(3^{\text{rd}}) + 1(4^{\text{th}})$
H5	5	
H6	10	
H7	11	$0(1^{\text{st}}) + 1(2^{\text{nd}}) + 2(3^{\text{rd}}) + 1(4^{\text{th}})$
H8	11	$0(1^{\text{st}}) + 1(2^{\text{nd}}) + 1(3^{\text{rd}}) + 2(4^{\text{th}})$
H9	0	
H12	6	
H13	1	
H14	0	
H15	3	

We had a total of 65 participants in Boys and 15 in Girls.
